

PRE-REGISTRATION OPENING SPECIAL
SUPPLEMENTAL GRANT PROGRAM

Motion Project Foundation Inc. is excited to be opening The Natalie Barnhard Center for Spinal Cord Injury Rehabilitation and Recovery. It is so important to stay active for overall good health. Motion Project has created an environment of fun, excitement, hope and inspiration. For our opening, we will be providing supplemental grants for those looking to attend. As we are not a medical facility, insurance will not cover the expense, this is a self-pay program. The supplemental grant program is for sessions for the entire month and are paid at the first of the month.

OPTION 1:

Two-hour therapy session for three days a week (24 hours/month) = TOTAL \$2400/month. This qualifies for a 30% supplemental grant of \$720 from Motion Project Foundation Inc. Client pays balance of \$1600 plus the supplemental grant of \$720 – total \$2400.

OPTION 2:

Two-hour therapy session for two days a week (16 hours/month) = Total \$1600/month. This qualifies for a 25% supplemental grant of \$400 from Motion Project Foundation Inc. Client pays balance of \$1200 plus the supplemental grant of \$400 – total \$1600.

OPTION 3:

OPTION 4:

Two-hour training session for two days a month (4 hours/month) = Total \$400/month. This qualifies for a 10% supplemental grant of \$40 from Motion Project Foundation Inc. Client pays balance of \$360 plus the supplemental grant of \$40 – total \$400.

All clients are responsible to pay their chosen treatment option the month PRIOR to services being rendered. Motion Project Foundation Inc. reserves the right to reduce, increase, decrease or cease the Supplemental Grant discount at its discretion. As an in-house courtesy, we allow clients to roll over/reschedule appointments based on scheduling availability. This courtesy is available only to clients that cancel/reschedule EARLIER THAN 24 hours prior to their assigned appointment time, regardless of reason for appointment cancellation. Clients that miss or are late submitting payments are subject to a loss or permanently reduced Supplemental grant.

I understand that this is not a medical facility and does not accept insurance as payment. Payment can be in the form of cash, check, or credit card on the first of the month. Invoices will be emailed.
